

Guest Speaker Engagement

As a speaker making a presentation at a Colorado Solidworks User Group (COSUG) meeting I understand and agree to the following.

1. I will not knowingly violate any patent, copyright, or other proprietary rights in the material that I present.
2. Should any of my ideas or concepts that I present be used by others in their subsequent designs or activities I will make no claim of ownership nor will I demand any form of acknowledgment.
3. I grant permission to COSUG to use my presentation as part of their promotional material. COSUG may publish my name along with the date and content of my presentation.
